

簡介 Introduction

香港賽馬會禁毒資訊天地於2004年啟用，佔地約900平方米，是亞太區首個以禁毒為主題的常設資訊及資源中心。

禁毒資訊天地於2021至2022年進行翻新工程，以提升其角色及功能。得到香港賽馬會慈善信託基金慷慨捐助，翻新後的場館設有多項互動多媒體設施和裝置，例如動感遊戲和顯示毒害的人體影像裝置，令參觀者認識毒害。場館以「破繭而出」為設計主題，象徵蛻變及轉化，希望啟發參觀者轉化生活態度，活得更精彩和積極。

Opened in 2004, the **Hong Kong Jockey Club Drug InfoCentre**, with an area of around 900m², is the first permanent anti-drug information and resource exhibition centre in the Asia Pacific Region.

Renovation works were carried out for the Drug InfoCentre between 2021 and 2022 to enhance its role and functions. With the generous donation from the Hong Kong Jockey Club Charities Trust, there are various interactive multimedia facilities and devices in the revamped Drug InfoCentre, such as interactive games and body scanning devices showing the harmful effects of drugs, so as to enable visitors to have a clear understanding of drug harm. The design of the venue follows the theme of "emerging from a cocoon", which symbolises change and transformation, to inspire visitors to change their attitude to life and live in a more fulfilling and positive way.
